

Matt Hines
Engineering Manager

Mr. Hines serves as the Engineering Manager of Dennis Corporation.

Mr. Hines is married to Shannon of Lexington, SC and the proud father to many "fur babies".

He is a 1996 graduate of Presbyterian College where he received a Bachelor of Science in Chemistry and a 2011 graduate of the University of South Carolina where he received a Bachelor of Science in Civil and Environmental Engineering. Additionally, he is a registered Professional Engineer (PE) in the state of South Carolina.

Mr. Hines is an Associate Member of American Society of Civil Engineers - South Carolina Section, Midlands Chapter and Associate Member of American Society of Civil Engineers - Transportation Development Institute.

Mr. Hines aspires to provide cost-effective solutions to the infrastructure needs of South Carolina and throughout the Southeast while educating himself and young professionals about the practices of engineering and management.
